About Ladyfest Ottawa

Ladyfest Ottawa (LFO) is a non-profit, primarily women-organized music and arts festival that is open to everyone. Founded in 2002, LFO remains a volunteer-driven organization that showcases women's artistic expression and shares ideas through music, performance, film and video, exhibitions, panels and workshops.

Ladyfest Ottawa is an inclusive, feminist organization. We feel that providing a venue for women artists counters the obstacles and discrimination that women often face, including sexism, homophobia and racism. We also work to address these issues in our workshops, along with encouraging a D.I.Y. (do-it-yourself), hands-on approach to skill-sharing.

Tarts N' Crafts (formerly the Not Your Grandma's Craftsale) is a twice-yearly event in support of the crafting community, which also acts as a fundraiser for Ladyfest's year-round events and productions.
